## CALL FOR PAPERS

Abstract deadline for Arizona Photonics Days 2020 is September 30, 2019.

Optics Valley invites industry scientists and engineers from around the world to submit abstracts for presentation at the third annual [Arizona Photonics Days](#). This conference connects optics and photonics industry peers and leaders for technical presentations, industry trend discussions, and business-building meetings at the University of Arizona BIO5 Institute in Tucson, January 29-31, 2020.

### Submission Overview

- Papers should inform on techniques and processes that expand the scope of optics and photonics technologies in industrial and commercial applications in these four conference tracks:
  1. Sensing and Metrology
  2. Astronomy
  3. Laser Technology
  4. Biomedical Technology
- One presenter per paper will be allowed 20 minutes including five minutes for audience questions
- Authors will be notified of acceptance on or before October 15, 2019
- Presentation format is PowerPoint; guidelines to be provided at acceptance
- Final presentations are due January 15, 2020

### Submission Requirements

- Send these four items by September 30, 2019 to [info@opticsvalleyaz.org](mailto:info@opticsvalleyaz.org) with "APD 2020 Abstract" in the subject line:
  1. Presentation title
  2. Author and presenter information
  3. Abstract (250 words or less)
  4. Conference track: Sensing and Metrology, Astronomy, Laser Technology, or Biomedical Technology
- Once accepted, presenter will register for the conference [online](#).
- Author(s) and presenter agree that:
  - Conference organizers will make all presentations and/or manuscripts available to all attendees after the conference
  - Attendees may photograph the presenters and presentations for their own use or for sharing on the Internet and social media
  - Conference organizers may use photographs that include the presenter and/or presentation in post-conference materials and promotional materials for future conferences

Submit your abstract by September 30, 2019
