TechTalk e-news feature

The screenshot displays the TechTalk e-news interface. At the top, there are logos for the Arizona Technology Council, Arizona Commerce Authority, AccountabilIT, and Design Pickle. Below these is the TechTalk logo with the tagline "Technology-Related News from Arizona". A "Member News" section follows, containing a paragraph of text about various startups and companies. Below this is a large red-bordered box containing a PayPal advertisement. The advertisement features the PayPal logo and a headline: "The Next Era of Digital Commerce: The PayPal Commerce Platform". The text describes PayPal's journey to open its platform to other tech platforms, payment networks, banks, and merchants. It concludes with a link to read more about the PayPal Commerce Platform.

PayPal

The Next Era of Digital Commerce: The PayPal Commerce Platform

PayPal embarked on a journey several years ago to open the PayPal platform to work with other tech platforms, payment networks, banks and merchants that shared a similar vision to make payments easy, reduce friction and create hassle-free experiences. With this in mind, PayPal announces a new solution that will drive digital commerce into the next era: the PayPal Commerce Platform. [Read more how PayPal's Commerce Platform is designed to meet the specific needs of marketplaces, e-commerce solution providers and crowdfunding platforms.](#)

Application Developer: Health Current

In support of the Health Information Exchange (HIE), the Application Developer is primarily responsible for developing OLAP cubes, reports, and dashboards. A secondary responsibility will be the development of software interfaces (scripts) to integrate disparate data stores (e.g. databases, portals, channels, etc.). The position involves working in interdisciplinary teams and with other analysts to support ongoing and planned database systems. This position is based in Phoenix, Ariz. and local residence is mandatory.

Communications Director: Health Current

The Director of Communications will be responsible for leading the development of the organization's communications strategies and effectively delivering upon those strategies. The Director works with organizational executives, managers, and stakeholders to develop and communicate comprehensive communication plans and strategies. The Director ensures that content and messages are consistent and accurately represent the organization's values and objectives. The Director is responsible for planning, organizing and managing and/or executing all communications, public relations and event planning activities for Health Current. This includes outreach and communications support for multiple health information technology and exchange initiatives. This position is based in Phoenix, Arizona.

CO-PUBLISHERS

The Arizona Technology Council is Arizona's premier trade association for science and technology companies. Recognized as having a diverse professional business community, Council members work towards furthering the advancement of technology in Arizona through leadership, education, legislation and social action.

ARIZONA

COMMERCE AUTHORITY

The Arizona Commerce Authority (ACA) is the state's leading economic development organization with a streamlined mission to grow and strengthen Arizona's economy. The ACA uses a three-pronged approach to advance the overall economy: recruit out-of-state companies to expand their Arizona operations; work with existing companies to grow their business here and beyond; and partner with entrepreneurs and companies to create new jobs and businesses in targeted industries.
