**TECHNOLOGY MOVES ALL OF US FORWARD.**

**ARIZONA  
TECHNOLOGY  
COUNCIL**

a place to connect and grow

A person with long blonde hair, wearing a blue long-sleeved shirt and dark leggings, stands on a rocky cliff edge. They are looking out over a vast cityscape at sunset. The sun is low on the horizon, creating a bright orange glow and a lens flare effect. The city below is densely packed with buildings and roads, and the surrounding landscape is hilly and arid.

# The future. Pioneered in Arizona.

As the world advances, Arizona is a leader in encouraging innovation in emerging technologies, including automated vehicles, renewable energy, education technology, Internet of Things, fresh water science, personalized medicine, smart materials, telemedicine, agricultural technology, and nanosatellites.

A man in a light blue button-down shirt and blue jeans is reclining on a large, fluffy white cloud. He is holding a white coffee cup with a black lid in his right hand and has his left leg crossed over his right. His feet, wearing dark shoes, are propped up on a wooden desk. On the desk, there is a computer monitor, a pen holder with several pens, and some papers. The background shows a brick wall and a window with greenery outside.
