

Dr. Michael Crow
President, Arizona State University

Dr. Michael M. Crow is an educator, knowledge enterprise architect, science and technology policy scholar and higher education leader. He became the sixteenth president of Arizona State University in July 2002 and has spearheaded ASU's rapid and groundbreaking transformative evolution into one of the world's best public metropolitan research universities. As a model "New American University," ASU simultaneously demonstrates comprehensive excellence, inclusivity representative of the ethnic and socioeconomic diversity of the United States, and consequential societal impact.

He became the sixteenth president of Arizona State University in July 2002 and has spearheaded ASU's rapid and groundbreaking transformative evolution into one of the world's best public metropolitan research universities. As a model "New American University," ASU simultaneously demonstrates comprehensive excellence, inclusivity representative of the ethnic and socioeconomic diversity of the United States, and consequential societal impact.

Lauded as the "#1 most innovative" school in the nation by U.S. News & World Report, ASU is a student-centric, technology-enabled university focused on complex global challenges related to sustainability, economic competitiveness, social embeddedness, entrepreneurship and global engagement. Under Dr. Crow's leadership, ASU has established twenty-four new transdisciplinary schools, including the School of Earth and Space Exploration, the School for the Future of Innovation in Society and the School of Human Evolution and Social Change, and launched trailblazing multidisciplinary initiatives including the Biodesign Institute, the Julie Ann Wrigley Global Institute of Sustainability, and important initiatives in the humanities and social sciences.

ABOUT ARIZONA STATE UNIVERSITY

Arizona State University is a public research university ranked #1 in the U.S. for innovation, dedicated to accessibility and academic excellence. Commonly referred to as ASU, the university is comprised of five campuses across the Phoenix metropolitan area and four regional learning centers throughout Arizona. One of the largest public universities by enrollment in the country, in 2019 the university had nearly 90,000 students attending classes across its metro campuses, more than 38,000 students attending online, including 83,000-plus undergraduates and more than 20,000 postgraduates. The university is organized into 17 colleges, featuring more than 170 cross-discipline centers and institutes. ASU offers 350 different degree options for undergraduates students, as well as more than 400 graduate degree and certificate programs. Visit www.asu.edu to learn more.
