

Enhance Your Business With an Innovative Association Health Plan

The Arizona Technology Council, in partnership with Blue Cross® Blue Shield® of Arizona (BCBSAZ), is excited to offer startups, small businesses, and growing companies in the tech space an [association health plan](#) (AHP) with a comprehensive benefits package that is normally available only to larger companies. This [robust health insurance product](#)—available exclusively to Council members—features medical and dental plans from BCBSAZ, along with vision coverage, health savings and flexible spending account administration, employee assistance, and life insurance.

New Management for Council AHP

The Council is excited to announce its new partnership with DiMartino Associates, which recently assumed the role of managing agent for the Council's AHP.

Demonstrating a wealth of experience in guiding AHPs in the Arizona market, DiMartino Associates successfully manages health plans for Vigilant Manufacturers Trust of Arizona, Vigilant Construction Trust of Arizona, and CAWA Arizona Health Trust (an automotive-industry trust).

This comprehensive AHP available to technology companies with two or more employees will help boost your pipeline and prospective growth opportunities, while helping your clients attract and retain top talent. In addition to providing health benefits typically reserved for larger companies, the Council's AHP also provides relief from time-intensive duties such as COBRA administration, consolidated billing, online enrollment, bill payment, and various plan compliance filings.

Best of all, plan members will have access to BCBSAZ's expansive network of providers (including our statewide network with Mayo Clinic participation), innovative health and wellness programs, and local customer support.

As a trusted resource in strengthening Arizona's technology sector, the Council supports the development, growth, advocacy, and advancement of more than 800 science and technology-driven companies. Through this collaborative partnership, startups and growing companies will be able to stay focused on what they do best: innovation.

Find the plan that's right for your clients, and get them the coverage they deserve.

Should you have questions about benefits or would like to request a quote, reach out to DiMartino Associates directly via email at AZTC@dimarinc.com or by calling **1-800-488-8277**.
