

Join the Arizona Technology Council for its monthly 2021 AZ Tech Sector Speaker Series that brings together tech titans, outstanding CTOs, advocates, innovators and industry champions of existing and emerging sectors who are reshaping Arizona's tech ecosystem. This expert panel forum advances Arizona's tech evolution and growing designation as a tech hub. With a diverse range of experience and technology backgrounds, these tech titans are leading the way and making a positive and lasting impact on Arizona's tech ecosystem.

Each Tech Sector Speaker Series event will consist of a panel of four technology experts (maximum) led by a moderator well-versed on the topic. Panelists and moderators do not need to be members of the Council. **The 2021 Tech Speaker Series events are virtual until further notice.**
