CALL FOR PAPERS

Abstract deadline for Arizona Photonics Days 2023 is November 1, 2022

Optics Valley invites industry scientists and engineers from around the world to submit abstracts for presentation at the 6th [Arizona Photonics Days](#). This conference connects optics and photonics industry peers and leaders for technical presentations, industry trend discussions, and business-building meetings, January 25-27, 2023, in Tucson, Arizona.

Submission Overview

- Papers should inform on techniques and processes that expand the scope of optics and photonics technologies in industrial and commercial applications in these six conference tracks:
 1. **Biomedical Technology**
 2. **Astronomy**
 3. **Sensing and Metrology**
 4. **Laser Technology**
 5. **Quantum Information Science**
 6. **Glass and Ceramics**
- One presenter per paper will be allowed 20 minutes plus 10 minutes for audience questions
- Authors will be notified of acceptance on or before December 1, 2022
- Presentation format is PowerPoint; guidelines to be provided at acceptance
- Final presentations are due January 11, 2023

Submission Requirements

- Send these four items by November 1, 2022 to info@opticsvalleyaz.org with "APD 2023 Abstract" in the subject line:
 1. Presentation title
 2. Author and presenter information
 3. Abstract (250 words or less)
 4. Conference track: Sensing and Metrology, Astronomy, Laser Technology, Quantum Information Science, or Biomedical Technology, Glass and Ceramics
- Once accepted, presenter will register for the conference, author(s) and presenter agree that:
 - Conference organizers will make all presentations and/or manuscripts available to all registrants after the conference
 - Attendees may photograph the presenters and presentations for their own use or for sharing on the Internet and social media
 - Conference organizers may use photographs that include the presenter and/or presentation in post-conference materials and promotional materials for future conferences

Submit your abstract by November 1, 2022
