⚠ **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit azblue.com/member. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call **1-855-PROSANO** or 1-855-776-7266 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**Coverage for Individual Only** In-network and out-of-network: **$5,000**/individual per calendar year **Coverage for Family** In-network and out-of-network: **$10,000**/family per calendar year **Prosano Health®: Deductible waived** for in person or virtual services at Prosano Health (excluding drugs and equipment).	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. Unless a copay, fee, or other percent is shown, the coinsurance percent of the allowed amount that you pay for most services is 0% (no charge) for Prosano Health, 20% for PPO in-network and 50% out-of-network.
Are there services covered before you meet your deductible?	Yes. **PPO and Prosano Health**: In-network primary care and specialist visits, certain in-network preventive services, prescription drugs, specialty drugs, and hospice services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the annual deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	In-network: **$7,500**/individual or **$15,000**/family per calendar year Out-of-network: **$15,000**/individual or **$30,000**/family per calendar year	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

Important Questions	Answers	Why This Matters:
What is not included in the out-of-pocket limit?	Premiums, out-of-network prior authorization charges, balance-bills, and costs for health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See www.azblue.com or call 1-855-PROSANO or 1-855-776-7266 for a list of in-network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

⚠ All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
