

2026 Arizona Manufacturing Showcase

Sponsor the 2026 Arizona Manufacturing Showcase

We invite you to partner with the Arizona Technology Council and become a sponsor of the inaugural Arizona Manufacturing Showcase on Wednesday, May 13, 2026 – celebrating Arizona's thriving manufacturing ecosystem.

This signature event, hosted in conjunction with our Arizona Manufacturing Catalyst Committee at Grand Canyon University's prestigious Lux Manufacturing space, will bring together more than 50 innovative Arizona manufacturing companies, industry leaders, educators, and partners. As a sponsor, you'll gain exceptional visibility with decision-makers and innovators while demonstrating your commitment to advancing Arizona's manufacturing future. Your partnership will help us showcase the cutting-edge innovation driving our state's manufacturing sector, while attendees enjoy networking opportunities, food and refreshments, exclusive tours of GCU's Lux Precision Manufacturing facility, and interactive experiences designed to foster collaboration and growth.

This is a unique opportunity to position your brand as a leader in manufacturing innovation and connect with Arizona's most influential industry professionals. Let's build the future of Arizona manufacturing together.

Space is limited to fifty vendors, so contact us today to explore sponsorship opportunities that align with your business goals!

Date: Wednesday, May 13, 2026

Location: 5115 N. 27th Ave., Building 66, Phoenix, AZ 85017
