

10TH
ANNIVERSARY

ARIZONA PHOTONICS DAYS

JANUARY 27-29, 2027
TUCSON, ARIZONA

CALL FOR PRESENTATIONS

Abstract deadline for Arizona Photonics Days 2027 is **October 30, 2026**

Optics Valley invites industry scientists and engineers from around the world to submit abstracts for presentation at the **10th Arizona Photonics Days**. This conference connects optics and photonics industry peers and leaders for technical presentations, industry trend discussions and professional networking opportunities on January 27–29, 2027 in Tucson, Arizona.

OVERVIEW

Presentations should inform on techniques and processes that expand the scope of optics and photonics technologies in industrial, commercial, and scientific applications, or provide overall insights and trends, in one of these six conference tracks:

**ASTRONOMY • BIOMEDICAL TECHNOLOGY • LASER SYSTEMS AND APPLICATIONS • METROLOGY
PHOTONIC INTEGRATED CIRCUITS AND SENSORS • SYSTEMS INTEGRATION AND SENSING**

- One presenter per accepted presentation is allotted **20 minutes: 15 minutes to present, plus 5 minutes for audience** questions (Note: Schedule is subject to change)
- Presenters will be notified of acceptance by November 20, 2026
- Presentation format is Powerpoint; guidelines provided at acceptance

SUBMISSION FORM

Complete the **Abstract Submission Form** by **October 30, 2026**.

Once accepted, presenter will register for the conference. Presenter (and any contributor[s]) agree that:

- Conference organizers will make all presentations and/or manuscripts available to all registrants after the conference, **and**
- Attendees may photograph the presenters and presentations for their own use or for sharing on the Internet and social media, **and**
- Conference organizers may use photographs that include the presenter and/or presentation in post-conference materials and promotional materials for future conferences.

Submit your abstract by October 30, 2026.
